

REMARKS

Summary Of The Office Action & Formalities

Claims 1-13 and 16-20 are all the claims pending in the application. By this Amendment, Applicant is amending claims 1 and 19 and adding claim 21. No new matter is added.

Applicant is filing this Supplemental Amendment following a telephone interview on April 26 between Applicant's representative, Mr. Raja Saliba, and the Examiner. During the interview, the Examiner indicated that claim 1 might be allowable if amended to include limitations similar to allowable claim 19 that relate to the dispenser head actuating the dispenser when depressed.

Accordingly, the present Supplemental Amendment amends claim 1, as well as makes the amendments set forth in the un-entered Amendment dated April 6, 2006. The Remarks of the April 6, 2006 Amendment are incorporated herein by reference in their entirety.

Conclusion

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.
